

ASSOCIATION OF UKRAINIAN CITIES

BY JOINT EFFORTS

ASSOCIATION OF UKRAINIAN CITIES: *Development planning prospects for Ukrainian municipalities: priorities, key documents, current events.*

2025

1077 MEMBERS – VILLAGES, SETTLEMENTS, CITIES COOPERATE

by the territorial basis

24 regional offices

by the type of communities

4 chambers of villages, settlements, small and big cities

by spheres of activities

17 professional sections
(healthcare, education, housing and utilities, etc.)

by the type of territory

(in 2023, the Section for Temporarily Occupied and De-occupied Communities was established)

by mutual assistance and cooperation

municipalities have transferred over
UAH 410 million (over **EUR 10 million**)
to de-occupied communities

ASSOCIATION OF UKRAINIAN CITIES ensures the performance of the following tasks of local self-government:

formulation of the common position of all the local governments on various issues

elaboration, preparation and evaluation of draft laws, government decisions and draft decisions of local governments

representing the interests of local self-government in dialogue with the Government, Parliament, the Office of the President, local administrations, international partners and organisations

organising the reconstruction and creation of a system for the restoration of local self-government in Ukraine

THE RESTORATION PROVIDES FOR A SYSTEM OF SUBSEQUENT DOCUMENTS AT THE STATE, REGIONAL AND LOCAL LEVELS

State level

State Strategy for Regional Development for 2024-2027
